Greenwood Theatre, GUY'S CAMPUS

Heading east on Stamford Street (A3200) from Waterloo Campus, the A3200 becomes Southwark Street after crossing the A201 (i.e. Blackfriars Bridge). Southwark Bridge Road (top left of the above map) connects Southwark Street (A3200) to Union Street (B300). The Greenwood Theatre is at the far south-east corner of Guy's Campus. Give yourself 30 minutes to walk between Franklin-Wilkins Building and the Greenwood Theatre, or use the Underground between Waterloo Station and London Bridge Station (Jubilee Line towards North Greenwich), a total journey of around 15 minutes.

(Greenwood Theatre is next door to Wolfson House)

WATERLOO CAMPUS to The National Gallery

To walk to the venue for the SOTS Summer Outing, the Golden Jubilee Bridges will be a slightly faster (and more picturesque) route than Waterloo Bridge or Hungerford Bridge. Meet at the entrance to the Sainsbury Wing, far left of National Gallery façade.

To walk to the STRAND CAMPUS, at the north end of Waterloo Bridge turn right along the terrace in front of Somerset House, then left at the far end, into the courtyard (13 mins).
