

# DIRECTIONS FOR COLLINGWOOD COLLEGE, DURHAM, DH1 3LT

We recommend arriving by train where possible. Train fares booked 4-6 weeks in advance online can be very reasonable. While not environmentally friendly those from the south and south west may like to consider air travel which, booked well in advance, is fast and reasonably priced.

## *By Car*

### **1. From the South and South East**

Drive north on the A1(M) and exit at Junction 61. Take the A177 signposted Bowburn and Peterlee. Follow the road, through Bowburn, for approximately three miles until you enter Durham on the Stockton Road. Turn left at the first roundabout then left again at the New Inn crossroads and traffic lights into South Road. Continue up the hill for half a mile until you see the signpost for Collingwood College on the left.

### **2. From the North and North East**

Drive south on the A1(M) and exit at Junction 62. Take the A690 to Durham. After three miles, at the first roundabout take the second main exit which crosses under a pedestrian footbridge. You will see immediately in front of you a magnificent view of the Cathedral, Castle and City. Turn left at the next roundabout into New Elvet and follow the road for approximately half a mile (bearing right into Church Street at the Y junction traffic lights). At the New Inn crossroads and traffic lights go straight ahead into South Road. Continue up the hill for half a mile until you see the signpost for Collingwood College on the left.

### **3. From the West**

Drive onto the A167 to the roundabout (junction with the A177). Take the Durham A177 exit into South Road and continue until you see the signpost for Collingwood College on the right.

## **From Train or Bus Station**
